2018 Master National Qualifiers from UVRC

OUR HISTORY

Since the club's inception in 1992, we have continued to grow in both members and accomplishments. This 'can do' attitude creates a lot of fun for everyone as we cheer on and support each other in our field hunting endeavors; whether it be waterfowl, upland, hunt tests, or field trials.

Umpqua Valley Retriever Club is located in the Roseburg area of Southern Oregon. Our membership consists of hunting enthusiasts from Oregon, California, and Western Idaho.

OUR ANNUAL HUNT TEST

UVRC is licensed by the American Kennel Club to hold hunt test events. Each year, on Father's Day Weekend, we host a family oriented hunt test where many participants 'camp out' on the private grounds. Additional activities over the weekend often include a buffet style bbq, raffle and auction. There's plenty of fun to be had and stories to be heard!!

TRAINING DAYS

We schedule several training sessions throughout the year in which all members can participate. Quite often the more tenured members can be seen providing guidance and instructional insight to our newer members and their pups.

It's all about the dogs!!

AKC HUNT TESTS

The purpose of a Hunt Test is to evaluate the abilities of retrievers in the field and determine their suitability as hunting companions. These tests are designed to simulate the conditions of real hunting situations. All members are encouraged to become involved in the production of our Annual Hunt Test in June.

Our member's dogs at play!

The American Kennel Club (AKC) recognizes over 21 breeds of dogs eligible to participate in Retriever Hunting Tests.

Let us help you and your dog succeed as a team!

GREAT YOUTH ACTIVITY

We strive to include young members as a means to keep them involved in hunting traditions, education of animal behavior, and responsibility of animal ownership.
